

Honorable Commissioners of the FCC:

In reference to Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules:

I support retaining all the current FCC rules in question. Already, the FCC has permitted far too much concentration of ownership in the broadcast and news industries. There has been significant erosion of the public interest and it presents a serious threat to our democracy.

Please take your charge seriously. You should be supporting the free exchange of ideas and a multiplicity of voices so that American citizens can exercise their rights of citizenship.

Please do not permit any further concentration of media ownership.
Thank you.

Sincerely,

Janet Cole
